ADA Policy

The purpose of the policy found below is to comply with the Americans with Disabilities Act ("ADA") and related statutes & regulatory requirements and to assure that persons with disabilities have equal access to Bastrop County ("County") facilities, services, programs, activities, and employment.

A. INTRODUCTION AND ADA AUTHORITIES & REGULATORY REQUIREMENTS

The purpose of this Policy is to comply with the Americans with Disabilities Act (hereinafter "ADA" or "Act") and related statutes & regulatory requirements and to assure that persons with disabilities have equal access to Bastrop County ("County") facilities, services, programs, activities and employment.

By way of background, Section 504 of the Rehabilitation Act of 1973, requires that all organizations receiving federal funds make their programs available without discrimination to persons with disabilities. The Act, which became known as the "civil rights act" of persons with disabilities, states:

No otherwise qualified individual with a disability in the United States shall solely by reason of his or her disability be excluded from the participation in or be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (See Section 504).

Subsequent to the enactment of the Rehabilitation Act of 1973, Congress passed the ADA on July 26, 1990, and provides a comprehensive mandate of the rights of individuals with disabilities. Details of the ADA can be found at: www.ada.gov.

Title II of the ADA covers public entities, including Bastrop County government, and all its programs, services, and activities. Title II regulations prohibit public entities from discriminating against or excluding individuals with disabilities from programs, services, or activities on the basis of disability. (See 28 CFR Part 35). The provisions of Title II fall into four broad areas: 1). General non-discrimination, 2). Equal effective communication, 3). Employment and 4). Program and facility accessibility

The County will strive to provide equal opportunity through reasonable modification in policies, practices, or procedures; ensure effective communication through the provisions of auxiliary aids and services; require nondiscriminatory employment practices; and make programs accessible through programmatic or architectural modifications.

The County is obligated to observe requirements of the ADA and the ADA Access Guidelines of 2012 (ADAAG) that apply to facilities and other physical holdings, as well as any other applicable law, as amended. Additionally, the County is to also comply with the Texas Accessibility Standards

(TAS), Elimination of Architectural Barriers contained in Texas Government Code, Chapter 469 (See:<https://www.statutes.capitol.texas.gov/Docs/GV/htm/GV.469.htm>), as well as Texas Department of Licensing and Regulations, under the Architectural Barriers Act.

B. ACCESSIBILITY REQUIREMENTS

Pursuant to the ADA and other accessibility laws and regulations, including Title II, the County as a public entity with over 50 employees is required to execute the following administrative requirements referenced below to ensure compliance with the law and be eligible to receive federal funds:

1. **Establishment of an ADA Coordinator.** In accordance with §35.107(a), an ADA Coordinator must be designated. Responsibilities of the ADA Coordinator (or designee) will include:

 - d. Serving as the contact person for people who need information about the ADA.
 - e. Educating County officials and employees about their responsibilities under the ADA.

Anyone who requires auxiliary aid or service for, or has a complaint related to, effective communication, or a modification of policies or procedures to allow participation in a program, service or activity in the County should contact:

Bastrop County will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services to accommodate access to or participation in programs or services.

The ADA does not require the County to undertake any action that it can demonstrate would result in a fundamental alteration to the nature of a program or activity, would create a hazardous condition for other people, or would represent an undue financial and/or administrative burden. The ADA Coordinator (or designee) shall make these determinations based on an evaluation of available applicable resources and shall provide a statement citing reasons for reaching that conclusion.

2. **ADA Accessibility Policy, ADA Assurances & ADA Notice Statement.** In accordance with 28 CFR §35.106, the County provides information to applicants, participants, beneficiaries, employees, and other interested parties through this policy, as well as the ADA Notice, ADA Nondiscrimination Statement, & ADA Assurances regarding the rights and protections afforded by Title II of the ADA and application of the same to the County's particular programs, services, and activities. (Attachments 01, 02, & 03).
3. **Conduct Self-Evaluations of All Public Facilities & Programs.** In accordance with 28 CFR §35.105, the County will conduct a comprehensive review of the following four major areas in an effort to determine physical obstacles that limit the accessibility of the public entity's programs, services, or activities to people with disabilities. A public entity shall provide an opportunity to interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the self-evaluation process by submitting comments. The County may hire an independent consultant to conduct a self-evaluation.
 - a. **Policies and Procedures.** The self-evaluation involves a thorough review of general policies and procedures to ensure non-discrimination. The County will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of the County's programs, services, and activities.
 - b. **Communications.** The County will, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they may participate equally in the County's programs, services, and activities.

promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the Americans with Disabilities Act (ADA).

- d. **Program Facility Accessibility.** Title II of the ADA prohibits public entities from excluding individuals with disabilities from programs, services, or activities because of inaccessible facilities. The County will conduct a facility access review to determine and ensure program accessibility.
4. **Develop a Transition Plan.** In accordance with 28 CFR §35.105, the County will develop an ADA Transition Plan as part of the conducted self-evaluation. At a minimum, the Transition Plan should:

 - The estimated completion date for each item on the schedule; and/or
 - A budget to be applied to the items on the prioritization schedule together with cost estimates for their remediation
 - g. Demonstrate that public involvement opportunities were provided in the development of this plan. (i.e.: including, but not limited to requesting public input at public meetings and/or through public surveys).
 - h. Identify that the plan will be updated periodically to ensure the ongoing needs of the community continue to be met; and
 - i. Effectuate the plan by the signature of the ADA Coordinator upon adoption of the plan by the Bastrop County Commissioner's Court.
5. **Design & Build Accessible Facilities & Programs.** The County utilizes the design standards indicated above, including, but not limited to: the ADA Accessibility Guidelines (ADAAG), and the Texas Accessibility Standards (TAS), Proposed Guidelines for Accessible Rights-of-Way (PROWAG).

Generally, the County Facilities & Maintenance Department, under the guidance of the ADA

Subtitle A protects qualified individuals with disabilities from discrimination on the basis of disability in the services, programs, or activities of all state and local governments.
